LA TORRE

The place is just amazing, an old tower right on the edge of the lake surrounded by a beautiful garden, this place has a winery open all week long (except monday).

The ground floor is a charming piano bar with live music and during the week-end the garden becomes a crowded disco club. You can also walk there easily.

LA DARSENA

Restaurant and bars with chaise-longue directly on the lake, it is possible to have lunch here and then stay at the beach.

The quality and price ratio is not the best, but the place is nice.
